

# identitytheftprotection

insure your clients' assets up to \$1 million

Earn **25%**  
commission  
per purchase!

You're in charge of protecting your clients' retirement assets. That means protecting them not only from market downturns, but also from thieves. Think it can't happen? Last year, a record-high 16.7 million consumers were victims of identity fraud — and \$16.8 billion dollars were stolen, a 12 percent increase over the previous year<sup>1</sup>.

You've spent your whole life protecting your clients, so don't let something like identity theft take it all away! That's why CreativeOne has teamed up with **IdentityForce**, a company with 40 years of experience protecting individuals from the devastating effects of identity theft.

## Stop the thieves. Use IdentityForce.

- Older adults are victims of identity theft every four minutes.<sup>2</sup>
- More than 41 million Americans have had their identities stolen.<sup>3</sup>
- Ranked #1 best-in-class identity theft protection provider by analysts.
- Member satisfaction rating: 95 percent, with a 98 percent retention rate.
- Continuous innovator in providing free mobile app, Social Media Identity Monitoring, and next-generation member dashboard.

**Think of it as another form of insurance—it's all about protecting the client.**

### Monitor

Continuous monitoring of their identity, privacy and credit by using innovative and proactive identity theft protection technology.

### Alert

IdentityForce provides an early warning system rapidly notifying them when their personal information is at risk.

### Control

Understand their credit score, and where and how their online information is being used. Protect their keystrokes, PINs and credit card information.

### Recover

Certified Protection Experts offer comprehensive, 24/7 recovery services. They'll complete paperwork, make calls, and handle every detail to restore their identity.
